About the Presenter

Dr. Teresa Daly is the Director of the Center for Autism and Related Disabilities (CARD) at the University of Central Florida, and has presented nationally and internationally on ASD.

Training Description

Students with Asperger's Syndrome present a unique set of challenges for educators. During this presentation, neurological and research findings will be presented along with the related implications for educational accommodations. Curriculum for addressing social and pragmatic needs will also be overviewed. The seminar is appropriate for general and special educators, psychologists, resource teachers, autism support teachers, guidance and administrative personnel, as well as parents.

Training Objectives

This seminar will provide an overview of this puzzling diagnosis, how it affects learning and social success, and strategies for supporting these students in general education settings.

Regional Trainings are hosted by the Center for Autism and Related Disabilities, through the Partnership for Effective Programs for Students with Autism (PEPSA), a program funded by the State of Florida, Department of Education, K-12 Public Schools, Bureau of Exceptional Education and Student Services, through federal assistance under the Individuals with Disabilities Education Act (IDEA), Part B. www.DOEpartnership.org
