About the Institute

The Autism Summer Institute is an annual workshop aimed at providing high quality professional development to a wide spectrum of professionals such as ESE and general education teachers, guidance counselors, school psychologists, SLPs, OTs, instructional assistants, administrators, and parents who impact the lives of students with Autism Spectrum Disorders (ASD). Each year, national experts and prominent regional professionals offer informative and stimulating presentations on a variety of topics of interest to individuals who desire additional information on research, innovation, and effective educational programs for students with ASD.

Featured Keynote

Renee Attaway, MS, CCC-SLP has worked as a Speech Language Pathologist since 2000. For most of her career, she has worked at The Parish School, a private school in Houston, TX for children with language and learning differences. She is the founder and director of Social Thinking® at Parish, a program that offers social cognitive services for children from preschool to high school, a Social Thinking summer camp, parent groups, and workshops for professionals.

This Year's Autism Summer Institute

Day 1: ES Building at St. Pete College - Clearwater

The first day will feature multiple sessions on the topics of safety and supervision, behaviors, Social Skills, Project Access, Transitions, Physical Education, ASD 101, Sexuality, Comprehension and Literacy and more. Vendor exhibits will be on display.

Day 2: Auditorium at St. Pete College - Clearwater

The second day will be an all day training on Social Thinking® presented by Renee Attaway. Renee will introduce and explore the topics that are central to social contact as well as discuss Social Thinking® across the Home and School day introducing the ILAUGH Model.
