

Self-Determination for Individuals with Significant Support Needs

Presented by: Cathy Allore, M.Ed.

Hosted by: FAU CARD

About the Presenter

Cathy Allore is a Clinical Support Specialist for FAU CARD since 2007, serving St. Lucie county. Ms. Allore graduated from Florida Atlantic University with a Master of Arts Degree in Exceptional Student Education. Cathy has worked in both Martin and St. Lucie County Public Schools in a Varying Exceptionalities classroom setting. She previously ran a summer camp program in Martin County for children with developmental disabilities. She is also trained in the use and implementation of the Picture Exchange Communication System. As a parent of a young adult with autism, Cathy brings a vast amount of personal knowledge to CARD including transition, public benefits, and supporting those with significant support needs on the autism spectrum.

Training Description

Participants will learn the various components of Self-Determination and how to implement for individuals with the most significant support needs.

Training Objectives

Participants will be able to:

- Understand components of self-determination.
- Identify different ways self-determination can present in students with more significant needs.
- Select and distinguish various learning strategies, within each area of self-determination, that can be used to encourage self-determination in individuals with the most significant needs.
