

Culture Matters: Strategies for Identifying and Serving Diverse Children with ASD and their Families Follow-Up Session

Presented by: Cynthia L. Wilson, Ph.D.

Hosted by: FAU CARD

About the Presenter

Cynthia L. Wilson, Ph.D., is a professor in the Department of Exceptional Student Education at Florida Atlantic University. Dr. Wilson specializes in teacher education, cultural and linguistic diversity issues in special education, and the development of collaborative partnerships with PK schools. She is the principal investigator of Project I2: Intensive Intervention for Students with ASD Who Have Persistent and Severe Needs, funded by the U.S. Department of Education. She is author/co-author of more than 40 publications and has presented at numerous conferences. Her publications include *Leadership from the Ground Up: Effective Schooling in Traditionally Low Performing Schools* (Information Age Publishing), *Special Education and the Linguistically Diverse Student* (Fundamentals of Teaching English to Speakers of Other Languages in K-12 Mainstream Classrooms), and *Overcoming Obstacles: African American Students with Disabilities Achieving Academic Success* (Journal of Negro Education). Dr. Wilson has been the recipient of the FAU Faculty Mentor of the Year Award, Broward Faculty of the Year Award, and both the University and College of Education Award for Excellence and Innovation in Undergraduate Teaching.

Training Description

During this session, participants will follow-up on strategies learned for identifying and serving diverse children with ASD and their families.

Follow-Up Objectives

- Dr. Wilson will provide individualized consultation and technical assistance to school and district leadership as well as community agencies in identifying and supporting staff in working with diverse children and their families.
- Opportunities for follow-up support, discussions, and a question and answer session will also be provided.
