

## The Wheels on the Bus...are Falling Off!

**Presented by: Peggy Campbell-Rush, M.A., Ed.**

**Hosted by: FAU CARD**

### About the Presenter

Peggy Campbell-Rush is a nationally and internationally recognized education expert who has presented her keynotes and workshops at school and conferences around the world for over 33 years. Peggy is currently travelling the US doing educational consulting with teacher coaching, mentoring, and instructional support for teachers and students.

Peggy retired as the Head of the Lower School at the Bolles School, Jacksonville, Florida and is a US Government Fulbright Education Specialist. She has been in education for 46 years and has taught primary grades and has been an administrator in both the United States and England. Peggy has sailed around the world twice studying global education on the Semester at Sea Program. Peggy has been honored as a Fulbright Specialist, Fulbright Fellow and two-time National Teachers Hall of Fame finalist, USA Today All-American Teacher Team award, two-time New Jersey Teacher of the Year finalist, and named Wal-Mart Teacher of Year twice.

### Training Description

It is the little things that can cause the biggest problems when teaching young children. Take a deep breath and come to this workshop to learn useable tricks and tips to make your day run smoother. Join Master Teacher, Peggy Campbell-Rush, to learn an array of ideas to implement tomorrow to help you glide through your teaching day. This workshop will include topics such as executive functioning in young children, the brain-body connection, working with parents and more. The workshop is filled with brain research, practical tips, and many hand-on activities you can experience and use immediately with the children in your care.

### Training Objectives

Participants will be able to learn tips on:

- Executive functioning skills
- Behavior modification
- Parental support
- Calming techniques
- Dealing with tattling
- Stress and self-esteem and
- Useable classroom activities and strategies
- lost skills and abilities.
- Identify strategies for families to support generalization of skills learned at school to use at home that will fit into the natural home routines.
