#### About the Institute

The Northwest Florida Summer Autism Institute is a set of workshops aimed at providing high quality professional development to professionals working with or around students with autism spectrum disorders. Participants may choose to attend one, two, or three of the workshop days.

#### About the Presenters

**Chrissy Ogilvie, PhD** is an Autism Consultant for Florida State University Center for Autism and Related Disabilities.

**Laura Brumfield, MA, BCBA** is the Board Certified Behavior Analyst for Santa Rosa County Schools and she is also the BCBA for Children's Medical Services Autism Clinic, working closely with a developmental pediatrician to diagnose and monitor children and their families.

**Merrill Winston, Ph.D., BCBA** is a Board Certified Behavior Analyst with specialties in Developmental Disabilities & Behavior Disorders, Crisis Management Instructor Trainer & Consultant who specializes in the analysis and treatment of severe behavior disorders with special populations.

#### Training Description

##### Day 1: Monday, August 3, 2015

##### **Herding Cats: Social Skills Instruction for Any Student**

**Presented By: Christine R. Ogilvie, PhD**

Topics include structure of a social skills group, nonverbal communication, social initiation, reciprocity, and termination, social cognition, perspective-taking and self-awareness, and social anxiety and withdrawal.

##### Day 2: Tuesday, August 4, 2015

##### **Present Strategies to Improve Classroom Behavior for Students with High Functioning Autism in Inclusive Settings**

**Presented By: Christine R. Ogilvie, PhD and Laura Brumfield, MA, BCBA**

Topics include overview of autism accompanied by simulations, skill versus performance deficits, and strategies in both the content areas and behavior management.

##### Day 3: Wednesday, August 5, 2015

##### **Problems that Lead to Behavior Problems**

**Presented By: Merrill Winston Ph.D., BCBA**

This presentation will cover several topics from Dr. Winston's book, "Adventures in Special Education". These topics include problems with reinforcers, problems with aversives, problems with peers, and problems with adults.

Florida State University Center for Autism & Related Disabilities is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. See course information for number of ASHA CEUs, instructional level and content area. ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.
