### About the Conference

This two-day conference will consist of a series of sessions on a variety of topics related to current research and intervention in autism spectrum disorder (ASD).

### Conference Description

**Target Audience:** Researchers, Educators, Administrators, Professionals, Individuals with ASD & Family Members

The Autism & UF Conference is an annual conference aimed at providing high quality professional development to a variety of professionals, including researchers, educators, psychologists, speech & language and occupational therapists, physicians, and parents/caregivers involved in the lives of students with ASD.

This inaugural event will consist of two days of sessions on the latest research and intervention in the area of ASD.

### Session Topics

- Parent Training for Disruptive Behaviors
- Parent Child Interactive Therapy (PCIT)
- Engaging and Empowering Families in Treatment and Treatment in ASD
- Celebrating Our Diversity
- Lessons Along the Way From a Parent Perspective
- Auditory Processing
- Psychopharmacology in ASD
- Food Selectivity

More information will be available at <http://card.ufl.edu/> -
