### Training Description

**Target Audience:** Teachers of pre-K – 2<sup>nd</sup> grade students who struggle with reading

This training will assist participants in learning ways to adapt classroom instruction when working with children who learn in different ways and at different rates. Additionally, participants will learn how to identify a struggling learner and will gain practical ideas and strategies to help all learners succeed. Insights into the struggling learner's capabilities and needs will be gained as well as ideas on how to assist all students and enhance what is already being done to target a struggling learner.

### Training Objectives

Participants will learn:

- How to identify a struggling learner.
- Practical ideas and strategies to help all learners succeed.
- How to enhance what they are already doing to target a struggling learner.
- To develop insights into a struggling learner's capabilities and needs.
