PROMISING PATHWAYS

The Road to Best Practice in Autism Spectrum Disorder

a conference for families, educators, and
health care professionals addressing
autism spectrum disorder

Keynote speaker: Sarah Jane Spence, M.D., Ph.D.

***Assistant in Neurology; Co-Director, Autism Spectrum Center**

***Assistant Professor of Neurology, Harvard Medical School**

"Working with children and their families to really explain things and help them through what can sometimes be a difficult journey is an incredibly rewarding privilege."
