

Picky Eaters & Food Sensitivities

Presented by: Krupa Thakar M.S., CCC-SLP

Hosted by: FAU CARD

About the Presenter

Krupa Thakar M.S., CCC-SLP has a Bachelor's Degree in Communication Sciences and Disorders Master's Degree.

Training Description

Target Audience: Educators, Speech and Language Therapists, Board Certified Behavior Analysts, Mental Health and Behavioral Health Therapists & providers, Other Professionals, Parents

This presentation aims to inform attendees on how and why children on the Autism Spectrum may develop food sensitivities and picky eating habits.

Training Objectives

Participants will be able to:

- Define “Picky Eating” vs. Pediatric Feeding Disorder.
- Learn about medical professionals who help and work with our picky eaters.
- Learn Management and Treatment of Feeding Difficulties.
- Learn tips for empowering your child and yourself for success with mealtime.
